

Centre for Collaborative Autonomous Systems

Advisory Board – Bio-sketch

Christian Bering Pedersen

CEO

Holo

Christian Bering Pedersen has a background in technology consulting before joining Holo in 2018, working for Devoteam and Accenture. Before becoming the CEO in July 2020 he was the Director of Technology, Data and Operations. Christian has a Master's Degree from the IT University of Copenhagen. As CEO Christian is focused on positioning Holo as the leading company for implementing autonomous systems on public roads and in the sky.
